Dear TCIS Family,

Dear TCIS Community,

We are writing to inform you of a matter related to academic grading that we believe is important to communicate openly and responsibly. During a routine review, the school identified that one teacher made small, arbitrary increases to semester grades for a limited number of students in high school. These adjustments amounted to a very small percentage of a letter grade.

We want to be very clear: these changes do not negatively impact any student's eligibility for scholarships, honors, or high honors. However, because the adjustments were not made in accordance with TCIS grading policies, any altered grades will be reverted to the original, accurately earned grades.

Families of students whose semester grades were affected by these changes (very few students) will be notified directly via email. Parents are welcome to contact the High School Office to schedule a meeting should they wish to discuss this further.

TCIS remains firmly committed to fairness, transparency, and academic integrity. We appreciate your trust and partnership as we continue to uphold the standards that support our students and our community.

親愛的 TCIS 的成員們：

我們謹此向您說明一項與學期成績評定相關的事項，並本於公開與負責的原則與您分享相關資訊。

在近期的一次例行審查中，學校發現有一位教師曾針對少數高中學生的學期成績進行了幅度極小的調整。該調整僅涉及等第中非常有限的比例。

我們希望特別說明，這些成績調整不會影響任何學生在獎學金、榮譽獎或高等榮譽獎方面的資格。然而，由於該作法未完全符合 TCIS 既有的成績評定政策，所有經調整的成績將恢復為學生實際且原本應得的成績。

針對學期成績曾受到影響的學生（人數極少），學校將另行以電子郵件方式直接通知其家庭。家長如希望進一步了解相關情況或進行討論，歡迎與高中部辦公室聯繫，以安排會談。

TCIS 始終重視公平、透明與學術誠信，並感謝成員們長期以來的理解、信任與支持，讓我們能持續為學生營造良好的學習環境。

Dear TCIS Family,

Children's Day

Students from TCIS celebrated Children's Day on Saturday, January 17, 2026. Children's Day is a special occasion dedicated to honoring the joy, potential, and rights of children, while also reminding communities of the responsibility to nurture, protect, and support young people—especially those who are less fortunate.

In the spirit of service and compassion, TCIS clubs—including Interact (led by **Kru Rung and Mr. Douglas**), NJHS (led by **Kru Rung**), Red Cross (led by **Kru Ben and Kru Rung**), NHS (led by Ms. Jasmine), HER Club (Led by Kru Buab and Kru Rung), NAHS (led by **Ms. Elizabeth**), and Smile Club (led by **Mr. Severino**)—together with student members, donated toys to the local Gamnan's House (Head of Bangplee Yai). Thank you to also to **Mr. Kevin** and **Dr. James** for dedicating their time to help during the day. The donated toys brought smiles, joy, and a sense of care to children in the community, reinforcing the values of kindness, generosity, and social responsibility.

This meaningful event showcased the true heart and humanity of the TCIS community, as students demonstrated that leadership is not only about achievement, but also about empathy, service, and uplifting those in need.

Our TCIS Community keeps growing! At the start of the new year, we welcomed many new students to TCIS. Welcome to the family! [Welcome New Students' Photos](#)

100 Days of School

The 100th Day of School was a joyful celebration for our ECE and elementary students. Students proudly wore creative attire to represent the number 100. This special day also brought forth our strong sense of community, as we all came together to celebrate learning in a fun and engaging way. [100 Days of School Photos](#)

Terry Fox Run

The Terry Fox Run has become engrained as part of TCIS culture. It is a reflection of our shared humanity, our belief in being Global Citizens, Voices for Collaboration, Empathetic Leaders, and Solution-Oriented Problem Solvers. Thanks to our students, parents, and the community, we met our goal and **raised over 200,00 Thai baht** for cancer research in Thailand.

Children's Day

I was proud to join the middle and high school clubs in sharing with our local community during Children's Day on Saturday, January 17th, 2026 at the local Gamnan's House (Head of Bangplee Yai). It was wonderful to see TCIS students taking part in community actions.

Grade 3 & Grade 4 Parent-Invited Events

Grade-level parent-invited events are a wonderful opportunity for parents to share in their child's learning experience. In January, we have two parent-invited events scheduled:

- [Grade 4 Author's Day](#): 2:00pm - 3:00pm, Wednesday, January 21st, 2026
- [Grade 3 Egypt Day](#): 2:00pm - 3:10pm, Tuesday, January 27th, 2026

Dear Parents,

Welcome back to the second semester, and Happy New Year!

As we begin the new quarter, we are excited to welcome two new students to our class, Maya and Tubao. They are adjusting very well, Airin, Sweeney, Kate and Cherlyn are happy with their addition to the class. The kids have grown so much and are ready to learn more, make progress, and achieve great things in their learning. We are excited to celebrate learning and achievements throughout this second semester.

Dear Parents,

As we continue our topic on animals, the PK3s are growing more curious and excited to learn each day. They love hearing stories about different animals and enjoy looking at pictures and videos of them. The children also enjoy singing animal songs and doing fun movements during circle time. Through arts and crafts, they create simple animal projects that help build their fine motor skills. These activities help them learn new words and practice sharing ideas with their friends. We are happy to see their enthusiasm and joy for learning continue to grow.

Dear Parents,

After the Christmas holiday, the students seem to have grown a little more. In December, we learned about the 12 zodiac animals and practiced coloring together. Everyone showed great enthusiasm for learning and a positive learning attitude.

Dear Parents,

Our PK 3C students have returned from vacation happy, engaged, and ready to embrace learning! They are showing a positive attitude each day and becoming more independent as they grow comfortable and confident in their school routines. This semester, we will focus on important early learning skills such as writing their names independently and recognizing the letters in their names. We are encouraging our students to be communicators and express themselves and their ideas, so as to build self-confidence.

Dear Parents,

The PK4 students enjoyed a wonderful month of December filled with many engaging and joyful activities. We celebrated the Christmas season together, creating a meaningful and festive learning environment for the children. In Literacy, students learned to blend two sounds to read simple words such as *am*, *up*, *on*, *as*, *in*, and *it*. This was taught through hands-on activities, where children used toy cars to “drive” along roads connecting consonant and vowel sounds, making learning both interactive and enjoyable. In Mathematics, students practiced counting up to 20 and developed an understanding of quantity by building numbers using ten frames. The progress they have shown has been very encouraging. We are proud of the students’ efforts and achievements and look forward to seeing even more growth ahead. Well done, PK4 A, keep up the wonderful work!

Dear Parents,

In December, we celebrated the joyful Christmas season together. The children shared food and gifts, and enjoyed a wonderful Christmas holiday with families.

As we begin 2026 and the second semester, we are ready to take on new challenges and complete more learning tasks together. On February 13, during the Chinese New Year celebration, the children will perform on stage. We warmly invite parents to join us and celebrate this special occasion with us.

Thank you very much for your continued support.

Dear Parents,

Students had a wonderful and engaging December filled with meaningful learning across all subject areas. In literacy, they worked on identifying beginning and ending consonant sounds in words, segmenting and blending two- and three-phoneme words, and beginning to recognize rhyming words. They also practiced writing and naming both uppercase and lowercase letters and enjoyed daily read-alouds that supported listening skills, vocabulary, and a love of stories. In math, students continued to build number sense by reading and writing numbers from 1-20, counting by rote to 30, sequencing numbers 11-20, and comparing quantities using the terms more, less, and equal. Additionally, students explored concepts of time through calendar work, learning the days of the week and months of the year. To wrap up the month, they learned about the four seasons, identifying fall, winter, spring, and summer, and understanding the characteristics and changes that occur during each season.

Dear Parents,

As we kick off the new year 2026, our KGA students have returned with excitement and enthusiasm for learning! In reading and writing, children are building simple sentences, strengthening phonics skills, and learning how short vowels change into long vowels using *magic e*, while improving word recognition through consonant blends. In math, students are developing number sense by adding and subtracting up to 20, counting tens and ones, and exploring place value using hands-on materials. In STEAM, students explore weather through stories and interactive activities, learning about different types of storms and simple ways to prepare and stay safe. We are proud of their progress and look forward to a joyful year ahead!

Dear Parents,

Happy New Year! We are very happy to see all the children come back to school healthy and smiling after the holiday. In our Kindergarten Chinese class, we are excited to start a new semester. The children will learn many new and fun things in Chinese, including new words, songs, and activities. We are also getting ready for our Chinese New Year celebration. The children are practicing a traditional Chinese dance. They are working very hard and having lots of fun during practice. We are so proud of them!

Dear Families, As we begin 2026, our KGC students have returned full of energy and curiosity. In literacy, children are practicing sentence writing, building phonics skills, and learning how magic e changes vowel sounds, along with reading words using consonant blends. In math, students are working with addition and subtraction within 20, exploring tens and ones, and developing place value through hands-on activities. In STEAM, they are learning about weather and storms through stories and interactive lessons, including simple safety tips. We are proud of their progress and excited for the year ahead!

Dear Parents,

PK2 students started Semester 2 by practicing reading and pronunciation of the Thai alphabet. They are doing great every day!
All three KG classes have begun an intensive Thai language program with more challenging content. The focus is on spelling and writing words with final consonants, which are essential foundational skills for preparation for Grade 1. All students are highly motivated and are making their best efforts to practice their reading, writing, and sentence construction skills in Thai every day.

Dear Parents,

Welcoming Term 2 with pleasant weather, our PK3 students enjoyed learning more Thai consonants through a fun scavenger hunt game. Meanwhile, PK4 students practiced matching Thai consonants with pictures and creating Thai letters using playdough while working collaboratively in small groups. These activities help strengthen letter recognition while developing teamwork, fine motor skills, and creativity

Dear Parents,

With new classmates joining us, our Chinese classes have become even more fun and engaging! The students enjoy interacting and playing games together. Recently, we learned the color orange (Jú sè) and the related fruit, the orange (Júzi). We have already started learning about facial features. Next, we will begin learning about the five senses. Through songs, hands-on crafts, and plenty of speaking practice, we hope to help students become more confident and comfortable with the Chinese language.

Dear Parents,

Recently, our ECE students have been exploring art through a variety of activities, such as paper collage and tearing techniques, printmaking, clay modeling and painting. The students have shown great enthusiasm and joy in participating in these activities and have put forth their best efforts in creating their artwork. Their works beautifully reflect their imagination and creativity. We would therefore like to commend all of our students for their dedication and creativity, and we are pleased to present a selection of their artwork as a source of encouragement and motivation for our young artists.

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: • racial or ethnic origin • political opinions • religious or philosophical beliefs • sexual behavior • criminal records • health data, disability • trade union information • genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
